

## Mirror front lamp

Product Code  
**ARCIMFL2A12W220V**

IP rating	44
Ik rating	5
Source type	Hight power LED
Source life time	>50,000h at 25°C ambient temperature
CRI	>80
Step McAdam	3
Source flux	1440 lm
Source efficiency	120 lm/W
Delivered flux	1080 lm
Delivered efficiency	90 lm/W
Input power	12W
Supply voltage	220V AC
Insulation Class	insulation class III
Power supply	-
Material	Stainless steel+acrylic
Light colour/CCT	2700K
Beam angle	diffuse
Mounting	surface mount
Reflector color	/
Finishing	white

## Technical drawing

## Temperature limits

Working temperature	-30C° to +50C°
Storage temperature	-50C° to +80C°

## Light control

ON/off

## Construction

This mirror light features high-quality stainless steel, offering durability and resistance to rust and corrosion. The lampshade is made of acrylic, ensuring soft and non-glare lighting. With a simple and elegant design, it provides ample illumination while enhancing the overall aesthetics of your bathroom

## Photometrics

## Warranty

- 5-year limited system warranty standard
- Warranty does not cover product failure due to an overvoltage event (power surge)
- For installations where power surge may be possible, NICOR recommends installing additional surge protection at the electrical distribution panel

## Specifications
