### **Temperature limits**

Working temperature-30C° to +50C°Storage temperature-50C° to +80C°

### Light control

ON/off,DMX 512

## Construction

The cover is made of high-quality PMMA material, with strong weather resistance and no yellowing for three years; The lamp body is made of aluminum and the surface is coated with outdoor powder

## Warranty

- 5-year limited system warranty standard
- Warranty does not cover product failure due to an overvoltage event (power surge)
- For installations where power surge may be possible, NICOR recommends installing additional

surge protection at the electrical distribution panel
