ΟΡΤΙLUX

Technical drawing

Temperature limits

Working temperature Storage temperature -30C° to +50C° -50C° to +80C°

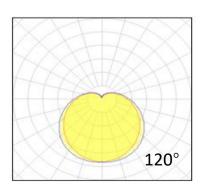

Light control

ON/off

Construction

Flexible printed circuit board, Double sided adhesive tape on the back of the light strip,Outdoor IP67 waterproof, UV resistant pure silicone integrated molding extrusion process

Photometrics

Warranty

- 2-year limited system warranty standard
- Warranty does not cover product failure due to an overvoltage event (power surge)
- For installations where power surge may be possible, NICOR recommends installing additional

surge protection at the electrical distribution panel
