Temperature limits

| Working temperature | -30C° to +50C° |
|---------------------|----------------|
| Storage temperature | -50C° to +80C° |

Light control

ON/off,DALI dimming

Construction

Corrosion resistant die-cast aluminum body. Polyester powder coating, with a pluri-processed against corrosion

Warranty

- 5-year limited system warranty standard
- Warranty does not cover product failure due to an overvoltage event (power surge)
- For installations where power surge may be possible, NICOR recommends installing additional surge protection at the electrical distribution panel
